## ALLAMBIE HEIGHTS PRIMARY SCHOOL BAND

Allambie Heights PS  
Band began in 1970

1980 – Front cover for  
their record album

Allambie Heights Primary School Band began in 1970 as a brass group of eleven players.

Over the ensuing period the band expanded to forty-five players, distinguishing itself at competitions and various social functions as a musically successful and active band.

The present band incorporates what was a smaller separate woodwind group.

This very successful amalgamation began towards the close of 1979. This year, 1980, is only partly over and the band has performed on no less than a dozen occasions with a number of performances still to come.
